What is climate change?
How does it affect me?
Predictions for Central
Pennsylvania
What can **WE** do?
What will **YOU** do?

**Note:--Local organizations working on
climate change issues will be represented.**

**Poster displays will be available to view
1/2 hour before and after the meeting.**

*"When we try to pick out anything by itself,
we find it hitched
to everything else in the Universe."
– John Muir*
